Turk Center Weekly Camps

The Turk Center will be offering something fun to do every week! YOU DO NOT HAVE TO BE ENROLLED AT THE TURK CENTER TO PARTICIPATE IN THESE WEEKLY CAMPS! YOU DO NOT NEED TO BE A TREMONT RESIDENT TO PARTICIPATE IN THE CAMPS!! Students that are enrolled in the Turk Center for the summer care program will receive \$5.00 off the cost of each class if they wish to participate in any offered class.

Summer Camp will be run and organized by Rachel Patterson. Miss Rachel teaches high school special education and is an assistant coach with the high school softball team. She has so many wonderful, new ideas and fun activities planned for all age groups! We are so excited to have her join our team this summer.

All ages listed are for those going INTO that grade for the 2019-2020 school year. We are only doing one class per week that is longer and only addressing the K-5 age group (except for the week of preschool camps). We must have a minimum of 8 students enrolled in each class - each class has a maximum number of students and it is listed with the class description.

All classes will be held at Tremont Grade School. This is just a description of the class. We will have lots of fun activities planned for each week. You will drop off and pick up at the Turk Center entrance door #8.

Please email Jennifer Hendrickson at jennifer.hendrickson@d702.org for an enrollment form and for class availability.

Band Fundraiser

Tremont High School Band will be having a Community Fundraiser Night at Morton Pizza Ranch on June 17 from 5-8PM. The band has been selected to play in the Outback Bowl on January 1, 2020 in Tampa, Florida. We are raising money to help offset the cost of the trip for the band members and their families.

Please join us for some great pizza for a great cause!

Summer Movie Night at City Park

Bring a blanket or lawn chairs for these all ages programs (families are encouraged to come, but you don't have to have kids to enjoy these movies!) Find us in the large shelter at City Park. We will have a small concession stand and movies will start after the sun sets, approximately 8:30pm.

This is a joint program with Tremont Parks and Tremont Commerce Association.

Did you know...?

The first telephone in Tremont was in the 1880s. Mr. H. A. Hayward was the owner of a grain office on Sampson Street. His telephone line ran to the northeast corner of the town square to his residence. Telephones at that time were homemade. There were no telephone offices. Lines ran from people's homes to their businesses. To signal each other, people would tap on the line with a nail!

To learn more about telephones in early Tremont, and to see photos, visit the museum. A new display will be ready soon.
